

PDE RESULTS FOR 15 AUGUST 2024 ARE NOW AVAILABLE

This serves to advise all property practitioners who wrote the Professional Designation Examination (PDE) on the 15th of August 2024 that PDE results are now available and can be checked by logging on My PPRA portal.

Successful PDE candidates: Exam candidates who passed the exam are notified that the PPRA is aiming to finalise the issuance of PDE certificates within the next 60 days and once the processing is completed, examination candidates will be notified for collection or emailed the necessary documents.

Unsuccessful PDE candidates: Exam candidates whose exam results were negative are advised to register for the next scheduled exam via MyPPRA portal and those who wish to appeal the results are advised to lodge their appeals against examination results through the MyPPRA portal Query Management System or by emailing resultsappeal@theppra.org.za by sending a Notice of Appeal and proof of payment within 10 - 14 days of receiving the notification of examination results. It is the PPRA's policy that no late appeals are considered. Should the appeal be unsuccessful, such persons are also advised to enrol via MyPPRA portal for the next scheduled PDE examination.
