Dear Stakeholder,

STUDY GUIDE FOR THE MASTER PRACTITIONER IN REAL ESTATE

This serves to advise that, as the Services SETA will no longer be sponsoring the publication of the Study Guide for the Master Practitioner in Real Estate, the prescribed study material for the Professional Designation Examination (“PDE”) for principal estate agents, it has become necessary for the Estate Agency Affairs Board (“EAAB”) to have the same printed for use by stakeholders and examination candidates.

The Study Guide presently comprises some 1 600 pages and is contained in two separate volumes. It may be emphasised that the Procurement Department of the EAAB made every possible effort to ensure the most competitive pricing in respect of the reprinted Study Guide. The Executive Committee of the EAAB agreed, in addition, that the Study Guide be made available to stakeholders at cost price.

The Study Guide is, accordingly, now available for purchase by stakeholders and PDE candidates at a cost of R500,00 for the two-volume work, if purchased “over-the-counter” at the EAAB offices. An additional postage and packaging fee of R75,00 per individual volume, making a total of R150,00 for the two-volume set, will be levied where the Study Guide is required to be mailed to purchasers.

An order form to procure the Study Guide is, accordingly, now attached for your convenience. It would be appreciated if such order form could be completed by you and e-mailed or fax it to the EAAB (email address: pde@eaab.org.za or fax number: **086 618 1101**) as soon as possible, together with proof of payment of the required purchase price for the Study Guide including, where applicable, postage and packaging, as well as any required “top-up fee”, so that this matter can receive our immediate further attention.

Yours faithfully,
